

# Your Science & Time

**We ensure it...**

**...with success!**

- V-Ensure Pharma technologies Ltd, India
- IspiraPharm LLC, UK
- Pantson Pharma Pvt Ltd, India
- Pantson Laboratories Pvt Limited, India
- SKVEN Technologies Pvt Ltd, India

## API DIVISION

- Innovation & quality solution
- Complex Reactions
- gram to ton level capabilities
- Concept to commercialization

- State-of-art facility spread across 5,000 sq. ft. of development space and 10,000 sq. ft .of analytical
- QBD concepts in development
- QMS systems at all stations

- Development, supply and /or technology transfer of
  - key starting materials
  - Intermediates
  - APIs
- Customized solutions
- Regulatory filing support to meet the advance market requirements
- End-to-end support for Tech Transfer at desired Mfg. Site

# Our market access...

- Europe
- Canada
- USA
- Australia & New Zealand
- Emerging Market

SKVen

SKVEN Technologies Pvt Limited

- Development of patent non-infringing
  - Route of synthesis
  - Polymorph
- Development of products as per global requirement
- Project management to meet
  - Time lines
  - Cost
  - Quality

- Heck reaction
- Mitsunobu reaction
- Suzuki coupling
- Sonogashira coupling
- Asymmetric oxidation
- Wittig Reaction
- Swern Oxidation
- Asymmetric catalytic hydrogenation
- Chiral separations
- High Vacuum Distillations
- High Temperature reactions

# APIs under development...

- Dapagliflozin
- Regadenoson
- Propofol
- Haloperidol decanoate
- Argatroban
- Nitrofurantoin
- Ivabradine.HCl
- Pantoprazole Mg

and more...

The logo for SKVen is a light blue, horizontally-oriented hexagon with a thin dark blue border. The text "SKVen" is centered inside the hexagon in a dark blue, sans-serif font.

SKVen

SKVEN Technologies Pvt Limited

- n-Formyl Hydrazine
- 7-Ethyl tryptophol
- Posaconazole intermediates
- Vilazodone intermediates
- Anagliptin intermediates
- Sartan intermediates
- Zoledronic acid intermediates
- Duloxetine intermediates

and more...

The logo for SKVen is a light blue, horizontally-oriented hexagon with a thin dark blue border. The text "SKVen" is centered inside the hexagon in a dark blue, sans-serif font.

SKVen

- Freeze dryer
- Vacuum tray dryer
- Air tray dryer
- Stability chamber
- 0.5 L to 20 L Glass assembly and more...

**\* Capability enhancement as per clients' specifications**

- HPLC 19
- Gas chromatography 1
- DSC/DTA 1
- UV Spectrophotometer 1

**\* Capability enhancement as per clients' specifications**

***Thank you!***
